

# Mst Afifa Tasnin

Undergrad Student

“

I am a dedicated BBA student with a strong interest in Finance and a creative passion for Art. I have a keen eye for visual design and enjoy crafting impactful PowerPoint presentations that communicate ideas clearly and professionally. With strong communication and team management skills, I often take the lead in designing presentations for group projects and events. As a lifelong learner, I continuously enhance my presentation design abilities through both academic and personal projects.
